The Dy. Commr. proposes that the posts of shroffs in treasuries should not be filled up merely on the ground of general educational qualifications but on considerations of family respectability and circumstances and character.

As regards the posts of accountants in the District Treasury he is of the opinion that they should not be open for direct recruitment as the applicants should possess the qualifications and office experience and that therefore recruitment may be restricted to the last place on Rs 25/- in filling up these vacancies.

Resolution:-- The Board observe that the recommendation regarding shroffs is not very clear and that the Revenue -- Commissioner may be requested to send a definite proposal in the matter. As regards vacancies of Accountants in the District Treasury, the Board consider that no change is called for in view of the revised classification of appointments introduced with effect from 1st January 1929 according to which appointments carrying a pay of Rs 25/- upto Rs. 40/- are included in one grade.
